

Server & Client Compatibility

Server Compatibility

Given a server version (in the leftmost column) the two client version columns show what client versions can be used with that server. Note that some features, may not be available on a specific client version. The rightmost column show the OS version that the server can run on.

Server Version ¹	Windows Client Version ²	Mac Client Version ²	OS Version ³
23.0.x	All Versions	All Versions	Windows Server 2012 and later
22.6.x	All Versions	All Versions	Windows Server 2012 and later
22.5.x	All Versions	All Versions	Windows Server 2012 and later
22.4.x	All Versions	All Versions	Windows Server 2012 and later
22.3.x	All Versions	All Versions	Windows Server 2008 R2 and later
22.2.x	All Versions	All Versions	Windows Server 2008 R2 and later

¹ Older Server versions are not supported

² See below for supported client versions

³ Windows Server Core versions are not yet supported

Windows Client Compatibility

Given a client version (in the leftmost column) the Server Version column shows what version of the server that is required for that particular client. The rightmost column show the OS version that the client can run on.

Windows Client Version ¹	Server Version ²	OS Version
22.5.0 and later	22.0.0 and later	<ul style="list-style-type: none">Windows 7 and later⁴Windows Server 2012 and later
22.4.0 -22.4.x	22.0.0 and later	<ul style="list-style-type: none">Windows 7 and later⁴Windows Server 2012 and later
22.0.0 - 22.4.0 ³	22.0.0 and later	<ul style="list-style-type: none">Windows 7 and later⁴Windows Server 2008 R2 and later

¹ Older Windows Client versions are not supported

² See above for supported server versions

³ **Not** including the specified version

⁴ Although the Cirrato clients will work with Windows 7, we no longer provide support for Windows 7 systems.

Mac Client Compatibility

Given a client version (in the leftmost column) the Server Version column shows what version of the server that is required for that particular client. The rightmost column show the OS version that the client can run on.

Mac Client Version ¹	Server Version ²	OS Version
1.3.0 and later	22.0.0 and later	macOS 10.12 Sierra and later

¹ Older Mac Client Versions are not supported

² See above for supported server versions
